 3. Tom Reached out to BLM, on providing “an update on *BLM O&G leasing and production operations, and NEPA planning, in the Biden administration. We would like to feature BLM activities.*” Melissa said a very brief update might be possible.

3. Overarching:

- a. **National Oil and Gas Committee**
 - i. In addition to WRAP OGWG, a great resource and continuing active group is the National Oil and Gas Committee, that meets monthly. Their info repository is at <http://vibe.cira.colostate.edu/OGEC/> - We don't want to duplicate that effort, but we could extract particular WRAP region topics to explore further. Two groups are synergistic.
- b. **Website Posting OGWG Materials – www.wrapair2.org/OGWG.aspx.**
- c. **Future call agendas and topics TBD. Co-chairs** Remain responsive to TSC requests and needs. If you have any particular topics of interest please let Amanda or Mark know.
- d. **Contacts for questions and comments/suggestions**
 - i. Mark Jones, NMED AQB, mark.jones@state.nm.us, telework 505-427-6920
 - ii. Amanda Brimmer, EPA R8, new contact info TBD.
- e. **Action Item: Please provide updated contacts for the WRAP OGWG as needed.**
