

## **San Juan Basin Oil & Gas Emission Inventory Project**

### **Operator Survey Outreach Meeting**

**BLM Field Office, 6251 College Blvd., Farmington, NM**

**June 23, 2015**

#### **Purpose**

The Operator Survey Outreach Meeting will be focused on reviewing the San Juan Basin Oil and Gas Emissions Inventory Project goals and activities in the Basin. The meeting is intended to review and discuss data and information that Operators can provide to assist in preparing updated Emission Inventories for the Basin. Input from Operators about the Project is also welcome and encouraged.
